## ***2016***

### **MISSION STATEMENT**

Our goal is to become the best student-athlete we can be to win the Great Basin Conference through:

- 1 - Hard Work
- 2 - Preparation
- 3 - Competition

***RESPECT THE TRADITION***

**“If it’s not right then don’t do it. If it’s not true then don’t say it.”**

## **PLAYER EXPECTATIONS**

- Adhere to the school’s athletic policy found in the handbook.
- In school, be where you are supposed to be, doing what you are supposed to be doing, when you are supposed to be doing it. If you do this, your grades will take care of themselves.
- Organize your priorities. Your family should be first, followed by school then athletics. Dedicate yourself to those things that are most important and you’ll see results.
- Be a good teammate. We’re all in this together, through the good and the bad.
- Hustle and give maximum effort in practice; we will perform on game day only as well as we’ve performed in practice.
- Maximize your potential and improve on your weaknesses. Expect success.
- Don’t do anything that would embarrass yourself, your family or your team. Abide by this simple phrase: “Would my parents, coaches and teammates approve of what I am doing right now?”
- Varsity players are expected to ride the bus home from away games. Win or lose, the bus ride home fosters team building.
- Deserve to win; use the offseason to improve your strength, speed, and discipline.
